SPACIOUS SPLIT LEVEL GARDEN FLAT IN NEED OF REFURBISHMENT

This property comprises a conversion flat over two floors (Lower Ground and Hall Level) forming part of a Victorian terraced dwelling. The flat has been subject to a refurbishment programme that has not been completed. The property is located between Maida Vale and West Kilburn and is surrounded by a number of train stations including Queens Park, Westbourne Park, Maida Vale and London Paddington. Good road links serve the area including the A40 that provides access to London's West End and to outer West London. There is gas fired central heating (not tested) and the windows are double glazed. However, there is still a great deal of work required to bring this flat up to standard. In essence it offers two bedroom accommodation and does have its own garden. The flat has its own entrance and has also been extended to the rear. The property will be of interest to owner occupiers and investment purchasers. It is sold with full vacant possession.
