

Lot 38

102-104 Commercial Street
Newport, NP20 1LU

GUIDE PRICE: £195,000

EXTENDED VACANT COMMERCIAL PREMISES WITH OFFICES ABOVE OFFERING DEVELOPMENT POTENTIAL

This three storey mid-terrace building built of traditional brick construction under a pitch-tiled roof is in need of updating although it has been extended to the rear elevation. The property internally comprises of two retail units and two self-contained office suites. In our opinion there is development potential to the upper parts, possibly for a number of residential flats and the possibility of an A3 consent to the ground floor subject to obtaining any necessary planning consents. The property is situated on the main thoroughfare of Newport City Centre at a busy road junction where Commercial Street joins Cardiff Road. The property is sold with vacant possession and we understand that VAT is not applicable to this lot.
