FREEHOLD GROUND RENT INVESTMENT

This freehold ground rent investment consists of a spacious period dwelling located on a corner site, that has been converted into five self-contained apartments with gardens. The property is located within close proximity of Hounslow Town centre with its shopping facilities, bus and train services. Good road links serve the area including the A4 and M4. The flats were originally granted leases of 99 years from 25th December 1975, with ground rents of £50pa, thus having approximately 55 years unexpired terms. However, we understand that flats 1, 2, 3 and 5 have all extended to 189 years with peppercorn ground rents leaving Flat 4 as the only unextended lease.
