THREE BEDROOM TERRACED HOUSE WITH GARAGE IN NEED OF UPDATING

This three bedroom centre terraced dwelling benefits from gas fired central heating and double glazing. The house is dated in part and would benefit from a certain amount of updating and modernization throughout. It also offers scope for extension to the rear and loft space subject to obtaining any necessary planning consent that may be required. This would also apply to off street parking that in our opinion is a possibility although the house does have a detached garage that is approached via a rear access road. The house is located on the North east side of the road and The property is located in a tree lined road that runs parallel with the A406 North Circular Road, close to the Hanger Lane Gyratory system. Park Royal industrial estate and Central Middlesex Hospital are also within one mile along with the Piccadilly Line train station. Hanger Lane Central Line station is within a third of a mile. Good road links serve the area, including the A406, A40, M40, A4, M4, M1, A1 and M25 that are all easily accessible. Wembley Stadium complex is within three miles and the area houses a number of local parks and schools that are all within close proximity.

ACCOMMODATION
